The SDRCHA has established a stallion service auction to promote the reined cow horse by raising money to try to increase participation in the annual SDRCHA Futurity and Derby by adding money to the non-stallion stakes classes offered at this show as well as trying to increase the number of horses eligible for our Stallion Stakes portion of the show.

The breedings will be sold at 50% of the advertised stud fee to the first person who pays the fee. This will not be a progressive bidding auction. Auction will close March 15, 2010.

For more information regarding the auction contact Mike Sigman at (605)381-6528 or visit the South Dakota Reined Cow Horse Associations web site at www.sdrcha.com.
