

# Stallion Stakes Nomination Form

Nominations must be in by January 10th in order for you to retain your Stallion Stakes Slot

The SDRCHA is open to any stud in what the NRCHA deems as the North Central Region and is only open to 45 Stallions Stake Slots. The nomination fee for the SDRCHA Stallion Stakes is \$550 per stallion. Stallion owners/ lessees must be paid members of the SDRCHA to be eligible. Dues are \$30 for a family or partnership.

Those stallions eligible for the Futurity and Derby may enter under their own nomination. In other words, if a stallion is nominated to the SDRCHA Stallion Stake, that stallion is eligible to compete in the Stallion Stakes Futurity and Derby, not just the horses they may have sired.

**\*Once a Stallion is named for the year, there can be NO substitutions for the year!**

**\*A Copy of the Registration Papers must be included with this nomination along with a photo for the website and social media.**

\*Please feel free to list other Futurities or Incentives that the stallion is nominated too.

Mail Nomination Forms, Dues (Checks made payable to SDRCHA), and Copy of Papers by JANUARY 10TH to:
